

YOUR COMMUNITY NEEDS YOU!

If you want to help the local community and set up your own community project at university then this is the time to act!

Funding is available through the Volunteer Experience @ Keele the and support to get your project off the ground

Possible ideas could be:

- ◇ Sharing your skills with a local group i.e. sports coaching?
- ◇ Gardening Projects for local community
- ◇ Community Art Projects
- ◇ Anything that will benefit the local community of Keele

Contact Sarah at VE for further details, you could even work towards the VE awards to gain accreditation for your hard work and contribution
