

STUDENT ACTIVITIES

" They were hugely enjoyable and I continued to participate after leaving university."

" I made some of my closest friends and learnt many invaluable lessons, which are applicable to everyday life "

" Enabled me to wind down in the evenings after a day of lectures."

" Helped meeting new people and getting to know people from other year groups."

"My favourite part of university life"

Sourced from members of

" Helped me to grow in confidence."

"Nominated for Student of the Year as a result of being so involved in university life."

"Without the additional skills I learnt from volunteering, societies and temporary work there is little chance of a real job."

"Gave me valuable experience that I could take forward to the working world and also gave me something extra to talk about in interviews in addition to my degree."
